Ashra & Merira Kwesi

INTRODUCTORY STATEMENT

Join Ashra and Merira Kwesi for a highly inspirational and educational journey to our ancestral homeland. These national and international lecturers will link the past with the present in order to bring “our story” to life.

Ashra Kwesi has 43 years of travel and research experience in the African Nile Valley. 14 of those years were spent in apprenticeship to the renowned scholar and Kemetologist, Dr. Yosef Ben Jochannan in Egypt (Kemet). Brother Kwesi reveals shocking and compelling details on the African origin of civilization and religion by means of spirited onsite lectures with eye-witness accounts.

Merira Kwesi has 31 years of study and travel in Egypt (Kemet). Based on her extensive study, she presents intriguing information on both the culture and the female personalities of the African Nile Valley.

Brother and Sister Kwesi provide the male/female balance advanced by our African ancestors. They reveal on location from the ancient temples, tombs and papyrus papers, concepts introduced when African people were teachers of the world.

You will learn about:

- The African pharaonic builders of civilization
- The history of the Step Pyramid and the Great Pyramid – the Seventh Wonder of the World
- The world’s first universities of Karnak and Luxor, the citadels of learning for the ancient world.
- The plagiarizing of our ancestral temples, symbols and spiritual concepts, plus their incorporation into European institutions and much, much, more...

Hotep (Peace) Brothers and Sisters:

Thank you for your interest in the Kemet Nu “Know Thyself” Educational Tour to Egypt. It will be a most unforgettable "trip of a lifetime" back to our ancestral homeland. The dates for those traveling from outside the U.S are July 14 - 26, 2024 and July 30 - Aug. 11, 2024. The \$4530 amount includes 5 star hotels, 2 meals daily, entrance fees into the sites, lectures at the sites by Ashra and Merira Kwesi, multimedia Power-Point presentations by Brother and Sister Kwesi in the hotels after visiting the ancient monuments, all air and land travel throughout Egypt, tips, taxes, pre-trip planning handbook, video, historical pamphlet and booklet.

The trip brochure gives a complete tour description, detailing travel dates and itinerary. The reservation form contains information for single and double rooms. If you plan to attend, and need a roommate, we will be happy to try to match you with someone. Please make a note on the reservation form that you are requesting a roommate. Do not be concerned if you are planning to travel alone. We travel as an African family, so you will not be lonely. You will have an opportunity to meet brothers and sisters from throughout the U.S. and abroad.

The brochure lists a sample payment plan. Once you make the \$300 deposit, additional payments can be made in amounts of \$300 and above. All tour members must have at least \$1000 paid towards the tour by March 1, 2024 to secure flights and accommodations. Final payment due dates are May 8, 2024 for Tour 1 and May 22, 2024 for Tour 2. **After you register for the tour, you will receive trip preparation and orientation information. We will email the link for the Kemet Nu “Know Thyself” Educational Tour video Egypt: From Cairo to Nubia and mail the Afrikan Builders of Civilization book a few weeks before the trip.** The book and video are excellent for trip preparation purposes. The video highlights many of the exciting locations that you will see, answers the most frequently asked questions about the tour and gives much insight into the daily activities. The book is a pictorial history that provides biographical information on some of the most famous personalities of ancient Kemet. Prior to receiving your Egypt from Cairo to Nubia video, you can preview videos of our Egypt Tour at our website: https://kemetnu.com/view_egypt_videos.htm.

The many onsite lectures during the tour will provide you with an eyewitness account of the numerous historical and spiritual concepts created by our ancient ancestors thousands of years before the western world. These are the same concepts on which the western world has based its institutions. You will also behold the unsurpassed skill and technique employed in the creation of magnificent monuments built when African people were teachers of the world.

There will be time for relaxation, as well. Our 4-day cruise along the Nile can be a wonderful way to meditate on the day's sites, while the market can provide the more energetic with a taste of local flair. You will also have the opportunity to meet and visit with our brothers and sisters from the Nubian villages.

We look forward to greeting you personally this summer in Egypt (Kemet). **If you should have any questions or need additional information, please send email to kemetnutours@gmail.com or call us at: (214) 371-0206.**
